

As-Built Drawing

Property Address _____

The drawing(s) shall include the following items, as applicable: (1) Any changes to the approved STS design including, but not limited to, distances from installed STS components to any items having applicable horizontal isolation distances. A change in location of a STS from that designated on the STS design shall not be made without prior approval by the board of health and shall not violate horizontal isolation distances required by this chapter. (2) A designated vertical reference point or benchmark with its location marked at the site. (3) Plan view drawing for installed STS components per the STS design, including identification of specific products that were installed as part of the STS. (4) Any additional information for components and materials may be required by the board of health including but not limited to manufacturer or supplier provision of component installation or O&M instructions and verification of compliance with any start-up procedures or aggregate specifications.

My signature confirms this system was installed in accordance with OAC-3701-29-09(F) and a copy of the as-built was provided to the property owner.
