

COVID-19 (novel coronavirus)

Morrow County Health District

Community Partner Update

May 21, 2020

Mt. Gilead, OH

Dear Morrow County Community Partners:

These are the latest COVID-19 updates as of today.

Local Situation Update

As of today, there are 103 total cases of COVID-19 in Morrow County. (99 confirmed and 4 probable)

These cases include 79 males and 24 females. The age range for these individuals is 14-81 years old, with an average age of 40 years. 8 of these cases have had to be hospitalized, and 1 case is still recovering in the hospital. There has been 1 Morrow County death from the disease. 77 of the total cases are now considered recovered from COVID-19, and 25 cases are still ill.

Of the 103 total cases, 53 cases, are related to the Morrow County Correctional Facility.

For the latest Morrow County information, please be sure to follow us on Facebook.

Statewide Situation Update

As of today, there have been **30,167** cases of COVID-19 in Ohio, including **1,836** deaths. All of Ohio's 88 counties are now reporting at least one case of COVID-19. These cases range in age from **less than 1 year** old to **109** years old, with a median age of **50** years. As of 2:00 pm today, there have been **297,085** total Ohio residents tested for COVID-19.

The latest Director's Public Health Order, issued on May 20, 2020, is the **Order that Rescinds and Modifies Portions of the Stay Safe Ohio Order**. This order describes which restrictions from the Stay Safe Ohio Order are now lifted. [Learn more.](#)
